*Bad weather or a last minute CHS Athletic Dept schedule change (possible but unlikely) may result in the change of session times/dates. Most likely those changes would result in:

1. Extended hours to make up for lost training time. (start early at 3:15/go later til 9:15pm) OR
2. Adding a Monday Feb 20 or Sat Feb 25 session to the schedule.

If sufficient make up time cannot be scheduled by Chelmsford High during Feb vacation, then a refund of \$13/hour will be returned to those participants signed up for the week. (But only if the gym cannot be scheduled, not if individuals cannot make the rescheduled session times)
